NEW LEADS IN BOMB PLOT

THE TOWN RECORD

By MONTE DAYTON

Word has been received from Congressman J. Arthur Younger that Daly City's Norman B. Simmonds, 161 Park Plaza, is West Point bound. Son of Mrs. Eleanor Simmonds, he attended Drew Prep school. In receiving his Point appointment, he rolled up one of the highest marks in the competitive examination.

He and the other county appointee, James W. Mooring of San Mateo, have a common tie: Both of their fathers, army officers, were killed in action during the Second World War.

A yachting we will go: HENRY DOELGER, who is to Westlake as was Jack to "the house that Jack built," will take the Bay Area's eminent newsmen for a 10-hour cruise Wednesday aboard his fashionable "yot." Rubbing and bending elbows with the nabobs of journalism will be FRANK MONTE OF THE RECORD. Sunday last, Daly City's civic officials were treated to a similar merry time with the maritime.

Down Palm Springs way this week were a trio of Daly Citizens. MR. and MRS. ARNOLD L. PANELLA, he's the million per annum insurance huckster, were guests the past weekend of FORREST J. CURRY of Hillsborough. Also in the sun is ARTHUR J. BODIEN, superintendent of the water department, whose conventioning there with other superintendents and water works dignitaries.

Among the 3000 fighting men returned from Korea this week aboard the Navy transport USNS General W. H. Gordon was JAMES W. EAGEN, of 324 Bellevue avenue, a corporal.

Another returnee is DENNIS C. HANCOCK, son of MR. and MRS. CHARLES HANCOCK, 59 Wilson street. He comes home after spending nearly a solid year on the Korean front. He served with the 17th infantry division. Three months and his life with the military comes to a halt.

WIND CLOCK, THEN SET AHEAD AN HOUR

At 12 midnight Saturday it'll be 1 p.m. Sunday.

That is to say, Daylight Saving time goes into effect at 12:01 Sunday, and if you want to be abreast of the times, you'd better set your clock ahead one hour.

The lost hour of sleep will be returned next September when the conventional chronology goes back into operation.

BROADMOOR GROUP TO MEET ON ANNEXATION

The Broadmoor Property Owners board of directors will meet Monday with San Francisco Supervisor Edward Mancuso to "see what advantages San Francisco has to offer."

President of the board, James McKay, said the group would meet with Mancuso, main cog in San Francisco's attempt to annex Westlake and Broadmoor, for further "enlightenment" and to discover "what steps might be necessary" to bring about the annexation.

McKay indicated that Broadmoor residents were satisfied with their present unincorporated setup, but had a definite need for recreation facilities.

"We have fine fire and police protection," McKay said. "Our greatest lack is in recreation." "However, we are taking steps to improve our own recreation facilities," he pointed out.

Broadmoor residents just recently approved the construction of a \$16,000 gymnasium, to be located next to the Broadmoor community center.

Asked if Broadmoor had considered the possibility of annexation to Daly City also, McKay said that independent groups from that area had investigated the idea and discovered that they would be better off unincorporated.

The fact that a new board of directors would be elected May 14 (Continued on Page 2)

McKay said that Broadmoor residents were satisfied with their present unincorporated setup, but had a definite need for recreation facilities.

SEEK 100 PINTS BLOOD TUESDAY IN LOCAL DRIVE

"Blood to save the life of a wounded man . . . blood to prevent polio paralysis in a child, two miracles from one pint of human blood. Every Daly City donor will have an opportunity to perform his own private miracle when the Red Cross Bloodmobile visits this city on Tuesday, April 28."

These were the words of Dr. J. C. Garsant, Red Cross blood recruitment chairman for Daly City day. According to the doctor and his co-chairman, Mel Battey, the mobile unit will be stationed at Eagles Hall, 3348 San Jose avenue, between 3:30 and 6:30 p.m. The drive is being co-sponsored by the Daly City-Colma Lions and the Red Cross.

Dr. Garsant pointed out that a certain amount of whole blood is flown to Korea several times a week, to be administered to our wounded men, but that for front-line emergency use and for cases of shock, a product of blood called serum albumin is used. And from the same pint of blood which produces this serum, a product called gamma globulin may also be obtained. This is the serum found to be effective in preventing (Continued on Page 2)

Wife Tells Of Recent Anonymous Callers

Three new developments were brought out today in the booby-trap bomb attempt on the life of Philip Rancatore, 44-year-old Daly City resident, and member of a pioneer family here.

They were:
1. Mrs. Rancatore (Mildred) said that numerous anonymous phone calls have been received at their residence on 58 W. Cavour street.

2. The intended victim's mate revealed that Rancatore had had a fight about six months ago in the Fillmore district and had inflicted a "pretty bad" beating to the other man.

3. Police revealed that after further questioning Rancatore had given them "a couple of leads."

Escapes Death
Rancatore escaped death early Wednesday morning by sheer accident when he failed to leave for work at his regular pre-dawn hour.

The home-made bomb, containing 12 sticks of dynamite, was described by investigators as enough to "level the entire block."

Rancatore, a service delivery driver for Safeway Stores, usually goes to work about 3 or 4 a.m. However, some days he leaves later.

The bomb-planter, apparently knowing his victim's habits thoroughly, wired the dynamite to the headlights of Rancatore's '34 Plymouth.

Was almost successful
Had Rancatore left at the usual hour that morning, the death trap would have been successful.

It was about 6 a.m. when he left his home to start on his delivery route. The windows were fogged and he decided to clean the windows. He went to the rear of the car and opened the trunk to get a rag. Looking up, he noticed wires visible through the rear window.

On investigation he discovered 12 sticks of dynamite wired together and placed on a shelf behind the driver's seat.

The bomb was concealed by a Wednesday's issue of the Examiner.

Many Calls
On later questioning, Mrs. Rancatore told reporters that they received calls at the home and when they picked up the receiver no one answered. She said this had been happening over an extended period.

Two of the calls were just recently, she explained.

Mrs. Rancatore wasn't explicit on the details of the fight which occurred "about six months ago." Her husband was stopped at an arterial when a car began bumping their vehicle from behind, she said.

Her husband took the action as an affront, got out of the car and a fight ensued, she added.

Full Scale Probe
The investigation continued today on a full-scale level. Eight men, one-third of Daly City's police force, have been assigned to the case.

THE LETHAL BUNDLE shown here, containing 12 sticks of dynamite, was intended to blast Philip Rancatore, 44-year-old truck driver, into oblivion. Wires connecting home-made bomb with headlights can be seen in top photo. Police Chief Roland Petroschi points out dynamite sticks while unidentified investigator looks on. THE RECORD photos

More Preparations For Youth Hobby Show Made At Meet

At a recent meeting of elementary teachers and Druid members further plans were made for the coming Youth Hobby show, to be held May 16 and 17 in the community center.

The group decided to limit the entries to one for each child. The hobbies must be brought to the center Saturday morning, May 16, in order that they can be on display for the weekend.

The show will be open to all children of the area. Judging will be done in four categories: kindergarten, first and second grades; third, fourth and fifth grades; sixth, seventh and eighth grades; and high school.

Ribbons will be given to all entrants in the show, according to Mrs. William Hobbs, chairman of the function.

Entry blanks will be distributed soon, Mrs. Hobbs said. They will be available at local business establishments and at the schools.

Those present at the coordinating meeting were: Misses E. Kennedy and M. Vicain, Crocker school; B. Sharp and R. Rogers, Woodrow Wilson school; Mesdames B. Fellman, M. Fellman, B. Biggin and W. Schmidt, members of Cypress Circle Druids.

Four Jeff Students Vie In Achievement Awards Competition

Four Jefferson high school students were selected to attend the Zone 2 achievement awards program competition held yesterday (Thursday) in Redwood City.

Local students named were among 23 area high school seniors who have received honors in their schools for scholarship, citizenship and leadership.

Those scheduled to compete yesterday were: Jean Crago, fine arts; James Butenhof, science and mathematics; Marjorie Duncan, liberal arts; and Louise Poletti, vocational arts.

Out of the 23 vying for honors in the Bank of America achievement contest, four will be selected to enter the Bay Area final event, to be held in San Francisco May 19. In the finals \$8600 in cash awards will be distributed to selectees from public, private and parochial schools. Each finalist is assured of receiving an award of \$100, and may participate in top prizes of \$250, \$500 and \$1000.

In yesterday's zone competition candidates in each general field participated in a group discussion. At the conclusion of each group interview the five judges independently ranked all candidates. One winner will be chosen in each general field by the standard low point system. Winners will be notified through their schools to attend the May 19 finals.

On February 23 a group of some 20 model-planes enthusiasts visited the council to ask permission for use of the field to operate their planes.

The council at that time said that, since there had been no formal complaints, it was completely all right with them.

The council will rule on the petition Monday night.

The council will rule on the petition Monday night.

The council will rule on the petition Monday night.

Schools On Parade

Jefferson elementary and high schools put on their best dress Monday to observe the 34th year of public schools week in California.

Nine elementary schools and the local high school have planned open houses during the week, from Monday through Friday.

Parents have been cordially invited to attend the various activities slated for the week, although it has been requested that children not attend, unless connected with the program.

Due to the number of schools participating in the week, special nights have been set aside for different schools.

However, the schools will have their exhibits on hand during the days.

Music Program
The week's activities will be topped by a music program to be held Friday, May 1, at 8 p.m. in the community center.

Colma, Crocker, Jefferson, Westlake, Garden Village and Benjamin Franklin elementary schools will participate in the presentation, supervised by Muriel Vint and Richard Snyder. Glee clubs, band and orchestra will make up the offering.

Admission to the event is free. Week's Schedule
Here's the week's schedule for open houses at local schools:

Woodrow Wilson (Kindergarten, fourth grade) — Monday, 7 to 9 p.m. — Each teacher will receive guests in her room and explain work on display. Speech correction classes to be offered in Room 10 from 11 until noon Thursday, 1 until 2 p.m. Thursday, in Room 8. Parents invited to attend these.

Garden Village (Kindergarten, sixth grade) — Tuesday, 7:30 to 9 p.m. — All classrooms will be open and pupils' work on display. Student committee will act as hosts. Speech correction program in multi-purpose room on Thursday, 9 to 10:30 a.m. and 1:45 to 2:15 p.m.

Crocker (Fourth, sixth grade) — Tuesday, 7 to 9 p.m. — Speech correction program in multi-purpose room on Thursday, 9 to 10:30 a.m. and 1:45 to 2:15 p.m.

Colma School (Sixth and eighth grades) — Monday, 7 to 9 p.m. — Students' work and activities with emphasis on a display of fundamentals, audio-visual equipment in use, recorded speech correction program. Teachers will greet parents in their rooms.

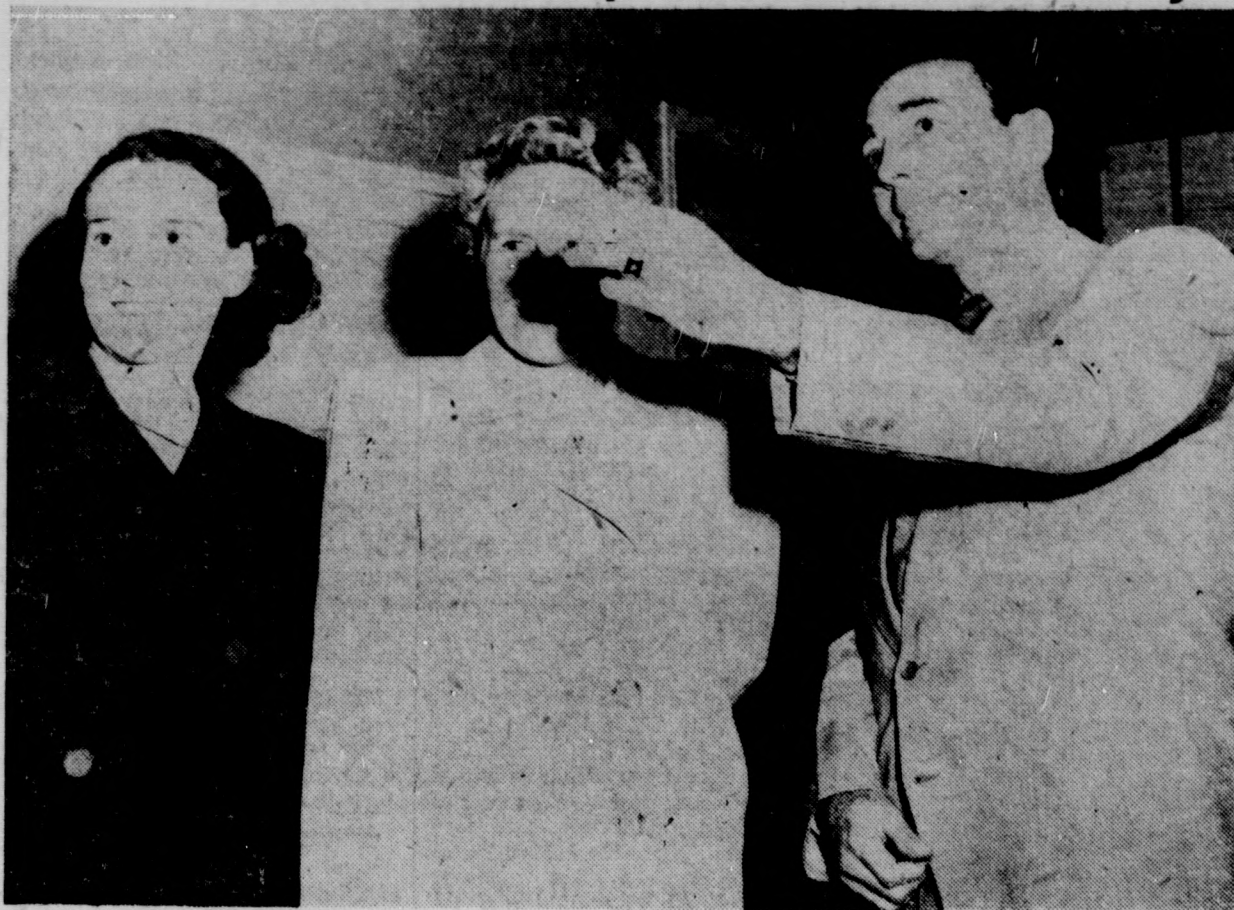

Colma School (Sixth and eighth grades) — Monday, 7 to 9 p.m. — Students' work and activities with emphasis on a display of fundamentals, audio-visual equipment in use, recorded speech correction program. Teachers will greet parents in their rooms.

Lions, Red Cross Workers Prepare For Blood Drive Tuesday

RED CROSS WORKERS are shown facilities of local Eagles hall by Dr. John Karsant, co-chairman, along with Mel Battye, of the local blood drive to be held here Tuesday, under sponsorship of the Daly City-Colma Lions. At left is Mrs. Jaque Stead, secretary of the county Red Cross blood service, while at center is Helen Casaday, assistant executive of San Mateo county chapter, Red Cross. Goal of 100 pints will be sought during the campaign when the mobile blood unit arrives here Tuesday at the Eagles hall.

THE RECORD photo

Hurrah For The Assembly

The state assembly recently voted 63 to 0 in favor of a policy that we have espoused practically since Daly City was known as Vista Grande.

That is, an end to the closed caucus sessions.

The state assembly went unanimously in favor of a plan to ban secret meetings of city councils and other such agencies.

The preponderance of the legislators' opinion might serve as a rule of thumb as to the strong public feeling against closed sessions by governing bodies.

The bill as passed by the assembly would require 24 hours notice to newspapers of special meetings. Regular meetings would have to be held at announced times and places. Closed sessions could deal only with hirings and firings and complaints against employees.

Without a doubt, we fervently hope, the senate will see fit to approve the measure.

But we must add that there is more to the closed door controversy than just the men inside the closed doors.

The indifference of the public towards meetings has been one vital factor that has allowed city rulers to practice abuses.

If the people of this city would make it their duty to sit through two evenings a month in the local council chambers and see what their representatives are doing, it might cause the politicians to be a little more circumspect on their actions.

Once all meetings are made open, we hope to see the citizens there in appreciable numbers.

As it now stands, the council practically holds caucus during the public meetings—there's no one there to listen in.

Singing An Old Refrain

We are growing a trifle weary of canting on the subject of civilian defense in Daly City.

But the fact remains, there is no such animal here.

And now that the Russians have launched a peace "offensive," or vice versa, the apathy of this city to the realities of an all-out municipal massacre will increase proportionately.

As General Walter M. Robertson, state director of civil defense, said recently, "The Russian peace offensive is designed to break up NATO, split us from our allies, and cause us to relax our defensive efforts."

Daly City can't relax its defense efforts. It hasn't any.

Robertson went on to say that "Civil Defense could be the most important phase of our national preparedness program, as it is specifically designed to protect our industry and its workers."

Daly City, being located smack dab next to a prime target area, has little reason for feelings of security.

Yet, in face of the dire need for adequate civilian defense program here, there fails to be an inkling of any action on the part of our city fathers.

This city doesn't even have a director of civil defense.

Until that time when someone is selected to head such a program, there can be nothing but a pretense of preparedness here.

We suggest someone give the ball a little nudge, in the hopes that it may accelerate and really start rolling soon.

Brother, Have You Got A Buck

Have you got a spare buck lying around in your frayed old jacket.

If so, you might throw it into the kitty to help the poor unfortunates who last year bilked the taxpayers out of \$20,000,000 a year in state unemployment insurance funds.

They're a grand lot, these professional unemployed.

Among them may be found drunks, liars, loafers and "just plain cheats." Take your pick.

Their attitude is usually, "I'm just getting back what I paid in."

It is our belief that anyone who gives away \$20,000,000 a year and doesn't know it is pretty stupid. But, apparently, year after year just that is happening.

Something That's Your Business

The 34th annual observance of Public Schools Week to be held here next week points up once again the importance of our public education system in the American democracy.

Although our schools face vexing difficulties, it is encouraging to see the growing sense of responsibility on the part of the public for better schools. The increase in appropriations along with such assistance to individual students as provided by scholarships and the Achievement Awards program of the State's largest bank all contribute to better training and better students.

The public schools are the business of every

citizen. This is true even if he has no children. He should insist not only that enough be appropriated to maintain education on a high plane but he should be alert to the activities of those who for one reason or another seek to undermine the public schools system or pervert its purpose.

Visit the classrooms during Public Schools Week. The teachers will appreciate such interest and it will encourage them in their work which is, to say the least, most trying.

It has often been said that the America of tomorrow can be no finer than its schools of today. And the schools of today can be no finer than your efforts and your interest make them.

Keeping Time In California

You have a date with the clock early next Sunday morning—that's April 26. Be sure you turn it one hour ahead so that you will "keep time" with the rest of California.

Simplest procedure, of course, is to twirl the clock hand before you go to bed. You'll lose an hour of sleep but you'll get it back next September when we return to Standard Time.

This being a free country you can leave the clock just as it is—with the probable following

results: Arrive at church Sunday morning just as the congregation is coming out; miss half the ball game on Sunday afternoon; get to the office an hour late on Monday. This last instance could cost you your job, and without a job you would get grouchy and disagreeable and your wife might leave you and your friends desert you and you would wander hither and yon—friendless, forlorn, famished.

Gad! You'd better set your clock ahead.

LETTERS TO THE EDITOR

The Record welcomes any letter on any event of public, or private interest. These letters are published at no expense to the writer. There are just two requirements: the letters must be signed, and must be within the laws of libel. We hope readers will show enough interest in their city to occasionally "sound off;" for the purpose of this column is to give you, the reader, a chance to express an opinion.

Compliments THE RECORD For Editorial Denouncing City Council's Recent Tactics

April 20, 1953

The Record
3317 San Jose Ave.
Dear Sir:

After reading your editorial in last week's Record pertaining to the city council's action in regard to the letter submitted by the Pacific Gas & Electric company, I would like to take this time to compliment you upon your denunciation of their action.

Undoubtedly the three council members favoring the issuance of a use permit and of closing Atlanta street were fearful that the planning commission and the people would not support their views; therefore, they took measures to attempt to assure the issuance of a use permit and all other conditions as requested by the Pacific Gas & Electric company.

The Daly City planning commission I believe is quite capable of making its own decisions without the coercive threat of a "moral obligation" being placed over its head by the city council.

Could it be that the council, being aware of the fact that the Daly City planning commission went on record protesting the issuance of the permit when it came up before the county planning commission only 6 months prior, assumed that the Daly City planning commission would take the same position today?

Once again I would like to compliment you upon your diligent efforts to report irregularities in the administration of the city government.

Sincerely yours,
George R. Lagomarsino

Bayshore PTA Thanks RECORD For News

Dear Editor:

The Bayshore PTA wishes to thank The Record for the fine cooperation given our unit for the past year in publishing news articles of interest to our members.

We do hope this friendly relationship will continue for many more years.

Sincerely yours,
Mildred E. Pleskach
Publicity Chairman
Bayshore PTA

Expresses Thanks For Year's Publicity

Dear Sir:

As I have now finished my term as president of Old Glory Auxiliary I would at this time like to thank you for all the publicity you gave us in your paper for the past year.

I know that without this publicity, our affairs would not have been so successful. Wishing you and your paper continued success.

Yours sincerely,
Mrs. Marie Gehrig, Jr.
Past President
Mrs. Clara Poket,
Press and Radio chairman

HOW CAN I?

By Anne Ashley

Q. How can I keep clothes from taking on an ugly color when soaking them?

A. If clothes are soaked too long, the dirt is distributed through the fabric and imparts an ugly color to the clothes. When soaking them over night, be sure that the water is cold, otherwise the clothes will be a poor color.

Q. How can I remove burnt stains from aluminum?

A. Burnt stains on aluminum, or any other unsoldered vessel of tin, brass, iron, etc., can be removed by placing the empty vessel over a gas flame or fire until it is red hot.

Q. How can I improve the flavor of chicken salad?

A. The flavor will be greatly improved if a little lemon juice is sprinkled over it.

Q. How can I test the grade of gasoline?

A. Pour a little gasoline into the palm of the hand; if it evaporates quickly and leaves the hand dry and clean, it is high grade. If it evaporates slowly and leaves a greasy deposit, it is poor grade.

Q. How can I remove the printing on flour sacks?

A. By boiling the sacks in a mixture consisting of a tablespoonful of kerosene and two quarts of soap suds. This treatment will not only take out the lettering, but will bleach the bags.

Q. How can I polish nickel?

A. Try washing nickel trimmings with warm water, in which two tablespoonfuls of kerosene have been stirred.

Q. How can I hasten the whipping of cream?

A. Add one-fourth teaspoon of lemon juice to each cup of heavy cream. Be sure to have the cream and utensils thoroughly chilled, so as to prevent the mixture from turning to butter. This is particularly important during the summer months.

Q. How can I easily remove paper labels from sheets and pillow cases?

A. Oftentimes, there is difficulty in removing these paper labels, but, if the goods is pulled on the bias around the label several times, the paper will usually lift off very readily.

Q. How can I kill dandelions?

A. An ice pick dipped in gasoline and thrust into the heart of the dandelions will kill the weed with little damage to the surrounding grass.

Q. How can I make a substitute for a cedar chest?

A. If a plain wooden chest is oiled once a year with oil of cedar, it will serve the same purpose as a genuine cedar chest.

Q. What is a good method of cleaning jewelry?

A. Wash jewelry in warm soap and water. If it is very dirty, rub a little soap onto a soft brush and scrub gently. Another good cleanser is a teaspoon of ammonia in a teacupful of warm water. In either case, rinse the jewelry in cold clear water and polish with a chamois.

Q. How can I keep the shower curtain in good condition?

A. After taking a shower, always be sure to draw the curtain out along the rod to dry. The air must get to it and let it dry out, in order to prevent damage to the fabric and possible mildew.

Q. How can I make a dessert with left-over rice?

A. Left-over cooked rice can be made into a delicious dessert by adding to it some chopped apples, diced pineapples, marshmallows, and whipped cream. Put into molds.

Q. How can I avoid waste when only a few drops of lemon juice are needed?

A. Pierce the lemon with a fork or knife, and squeeze out the juice. Then the lemon can be returned to the refrigerator for later use. There is less waste this way than when the lemon is cut into halves.

Q. How can I prevent squeaks in shoes?

A. When troubled with squeaking shoes, either new or half-soled ones, take an ice pick and put small holes in the shoe back of the heel of the foot. This will let out the air and the squeak will disappear.

Q. How can I remove the discolorations from the interior of bottles?

A. Fill nearly full with buttermilk and potato parings. Let stand for several hours, empty, and then rinse thoroughly with clean hot water.

Q. How can I loosen drawers that stick?

A. Rub a little paste floor wax on the slides and also on the lower

MY MAD WORLD

by Leonore Brewer

We have been considerably subdued this week. Those of you kind enough to read the column two weeks ago (and in our present state of mind we feel that you are kind indeed), may recall that we replied to a local columnist's request for opinions as to why concert attendance is dropping. A copy of our reply was sent to the questioner, and we eagerly awaited printed recognition. Well, we're still waiting.

Not content to leave well enough alone, we engaged in a depressing telephone conversation with the eminent one, which resulted in our retreating under the dining room table, from which refuge we have only today had the courage to emerge. Irreparable damage has been done our ego, and we are tempted to withdraw into our world and shut the door, never to be heard from again.

Seeking some consolation to soothe our ruffled feelings, we put it to *Trovatore* on the record player. Warren, Milanov, Bjorling and Barbieri together with RCA Victor's "Orthophonic Sound" have resulted in a triumph of musical and technical virtuosity. Prior to our present feeling of inadequacy, we would have unhesitatingly termed it a recording without peer.

For some unknown reason *Trovatore* is always held up by the detractors of opera as the prime example of the preposterous opera plot.

True, the dark and bloody story of murder, betrayal, suicide and execution has a slightly improbable flavor, and is bound to annoy the admirers of the Noel Coward school of the underplayed scene and the thrown away line. But in my opera world it is blood and death and madness that inspire music with tremendous vitality and melodious passages without number, and when the bodies are strewn across the stage as the last curtain falls, it's been a good opera.

At the point where Manrico angrily announces that he is off to save his mother from death at the stake, the doorbell rang. We answered it to see a tradesman's face brighter as the glorious music rushed out of the door. He said that he was an opera enthusiast; we smiled. He said he admired Verdi; we felt our heart warm toward him. As we signed for the package, he inquired if we were the Brewer who wrote for THE RECORD. We said, "Yes," modestly.

At that moment the slights of the past week were forgotten. We felt our ego arise from its bed of ashes like the Phoenix and soar into the air.

"Sey, buddy, you can spare two bits to a former sailor who's down on his luck?"

"A lot of people who are always itching for something never seem to get around to scratching for it!"

By A Whisker

The slimmest whisker on a man's face is thicker than the heaviest hair on his scalp—if he has any hair on his scalp.

edges of the drawers themselves, and polish thoroughly. Unless vigorously rubbed, wax forms a sticky coating, but properly polished it forms a hard, smooth finish.

Q. How can I keep fish hooks from rusting when they are not in use?

A. Stick them into corks. This prevents their rusting and keeps them sharp. The hooks also cannot do any damage with their treacherous prongs while thus protected.

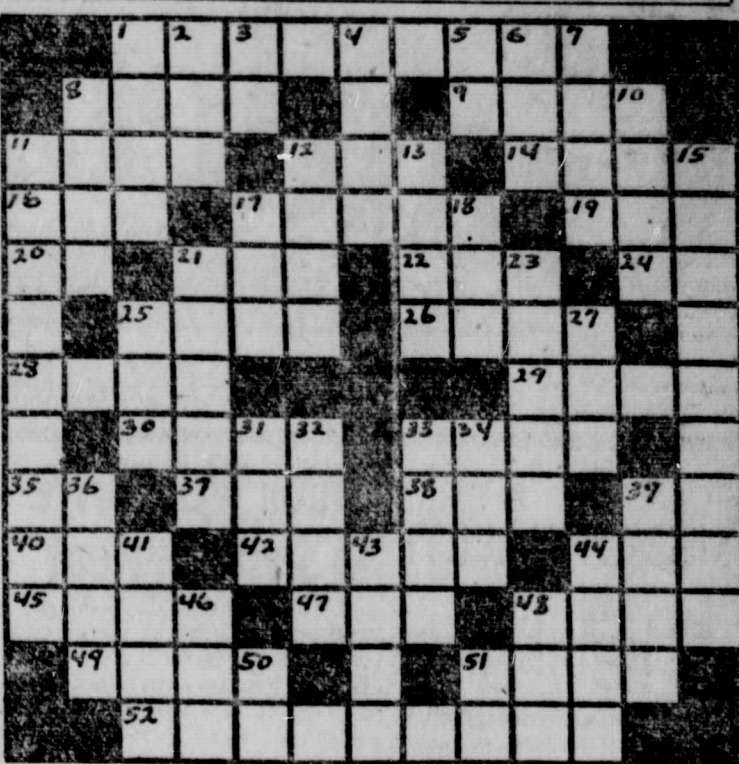

Q. How can I make smoother cake?

A. The cake batter will be much smoother if the flour is added first and then the milk.

Q. How can I keep linoleum from cracking when storing it?

A. If linoleum cannot be placed on the floor at once, but must be rolled up for storing, keep it away from moisture and excessive heat and it will not crack.

Cat Calamity

A Menlo Park cat created a feline uproar last week when he became stuck somewhere in hundreds of feet of ventilator system of a building under construction. Skippy, the cat, could be heard meowing and yowling about 8 p.m. by Mrs. Mary Holzworth, 727 El Camino Real, his owner.

By midnight the kitty could be heard all over the new Masonic hall building.

Firemen and workmen managed to get the main ventilator cover off the following morning, 12 hours after Skippy had been trapped.

Mrs. Holzworth escorted the tired cat home for an overdue meal.

Youthful Jaunt

A 17-year-old Redwood City high school girl, on probation from Hillcrest juvenile home, made off with a convertible last week, lost control of it while joyriding, crashed into a parked car, then phoned police and admitted the theft.

Police said the car went out of control as the girl attempted to make a curve on Fourteenth avenue south of Redwood City.

After hitting the parked car, the vehicle jumped the curb, tore down a length of fence, and came to rest on the lawns of houses at 868 and 864 Fourteenth avenue.

The girl was booked at Hillcrest juvenile home for auto theft.

NEW ADHESIVE

WHAT'S NEW—A non-staining adhesive—easy to mix—allows paper-hangers plenty of time to align patterns on the wall. Adhesive stains on wallpaper can be wiped off with wet cloth or sponge.

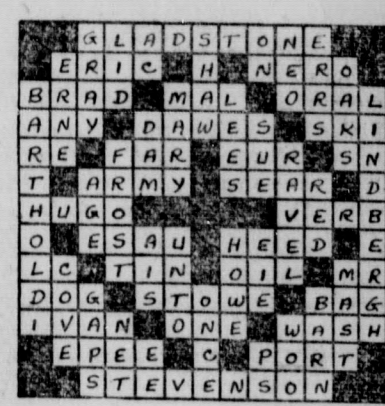

I say unto you, that likewise joy shall be in Heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance.—(St. Luke XV, 7.)

We can be living, or trying to live, Christian lives ourselves and still, at the same time, often be too sure of our own righteousness to think of our neighbor who, not living in Christ, seems beneath our notice. How much greater strength will come to us when, through our example and efforts, one who is without God shall come to know and believe on Him.

"Religion should be our steering wheel—not just a spare tire."

THE RECORD Garden Section

Arboretum Highlights

Our local gardens owe much to the novelties introduced in recent times from Western China. Mention may be made of such items as *Cotoneaster panosa*, *Jasminum primulinum*, *Prunella Bulleyana* and *P. floridana*, *Rhododendron Augustini* and *R. Bodinieri*, and many others. Now coming into bloom in the Strybing Arboretum is another such novelty, and easily the most striking and unusual flowering tree here on display.

This is the famous "Dove-tree," or *Davidia involucreata*, a small tree with Linden-like leaves and flower-clusters distinct by reason of the large, pure white bracts surrounding these. Botanically, this is related to the flowering dogwoods, but the white bracts are much larger and only two in number. The story of its discovery and subsequent introduction is too long to tell here, let it suffice to state that its original discovery was due to the efforts of Pere David, Jesuit missionary at Moupin during the 80's of the last century.

The tree thrives here, where it has a half-shady location with rich, well-drained soil and an abundance of water in summer. It is quite frost resistant. Propagation is rather difficult since viable seed is scarce and cuttings do not root readily. Nurseries specializing in the unusual usually carry a limited stock.

Also in flower now at the Strybing Arboretum and attracting much attention is the Spanish Bluebell or Wood-hyacinth, *Scilla campanulata*, also known as *Endymion hispanicum*. While its blossoms lack the fragrance of the real hyacinth, they make up for that in color and ease of culture.

Workmen Prepare Oakland Building For Garden Show

OAKLAND, April 16—With certain time less than one week away, more than 200 workmen today are busy transforming the Oakland Exposition building into a magnificent floral wonderland for the 1953 California Spring garden show.

Construction of the 12th edition of the unique spectacle, which will be held May 1 through 8, has artisans from 20 different crafts working at top speed, Ned S. Rucker, designer-manager for the world famed presentation, reported.

"Eventually, we will have more than 700 participants in action here when the exhibitors start creating their versatile displays, embellished by millions of blooms," Rucker continued.

To enhance the natural effects of the show, officials are importing 5000 pounds of Spanish moss from Louisiana, hundreds of magnolia, cypress and oak trees from Northern California and more than 2000 water hyacinths from the California delta areas.

Show hours will be from 8 a.m. until 10 p.m. daily during the eight days of the show.

Phlox Will Thrive In Summer Heat

Hot summer days ahead are making us think of plants capable of resisting the sun's full blast. One of the best certainly is phlox, a bright, free-blooming annual which seems to thrive on heat that causes many other plants to wither away. It is best used where a maximum height of 9" is desired, and in combination with such other low growing subjects as Alyssum and dwarf ageratum.

Phlox requires little care, as few pests or diseases trouble it, according to the California Bed-

PHLOX

ding Plant Advisory Board. Set out plants from flats 6"-8" apart for mass effect. Cut them back if they fill in too heavy and use the trimmings for floral arrangements as they last well when cut.

Even the well-started plants offered in flats, however, require a long period to mature fully; so the sooner they are planted the better. Phlox is not especially particular about soil, but it does require good drainage and a little water or fertilizer. Plants can be set out while blooming; often excellent transplants are available in full bloom. When planting a blooming plant, pinch the top third of the plant back and sacrifice a couple weeks of bloom in exchange for a sturdier plant. From then on it will be a beehive of flower production until the winter cold takes it.

According to the Advisory Board, annual phlox is one of the more difficult bedding plants to grow to flat size. For this reason there occasionally is a shortage. When there is, you will be amply repaid for a slight wait, for annual phlox clearly deserves its ranking as a top summer annual.

Friendly Twelve Holds "Mad Hatters" Day

The Friendly Twelve met at the home of Mrs. Emma D'Isop for luncheon and business meeting. Theme for the day was the "Mad Hatters."

Each one brought an original hat made from anything in the home. Many unusual hat designs were made.

Next meeting will be at the home of Mrs. Julia Jordan in Fairfax.

Lake Mead, behind Hoover Dam on the Colorado river, has an area of 246 square miles.

United States lumber production during 1952 was estimated at a total of 37,799,000,000 feet.

Announce Plans For County Rose Group Traditional Show

Clay Morgan Jr. of Burlingame, president of the San Mateo County Rose society, announced today that Mr. Robert Scott of Belmont will act as this year's chairman of the society's traditional rose show and tea. The popular "Afternoon in a Rose Garden" will be held again at Roseacre, the fabulous rose gardens of the Merrill A. Newmans at 863 Chiltern road, Hillsborough, on Sunday, May 3, from 1 to 5 p.m.

Last year's show drew so large an audience that a minor parking problem evolved at the hilltop estate. This year, to avoid the necessity of guests parking at some distance from the gardens, Mr. Morgan announced that the society will offer a free shuttle-bus service. Guests, who so desire, may leave their cars in the vicinity of Santa Inez and El Camino Real. The silver and scarlet bus will leave from that point at approximately half-hour intervals, whisking its occupants straight to the Newman garden gate. This bus service is expected to be especially convenient for rose enthusiasts arriving for the show by bus from San Francisco and other northern California points.

Another innovation this year is the public exhibition class. For the first time, non-members may enter their blooms, competing for ribbons only. A queen of the show will be selected from this class. The only requirement to show roses in this class is an admission ticket. Further details as to grooming of roses for show purposes, time of judging, etc., will be announced later.

Leading retail florists of San Mateo county, as well as garden clubs and flower societies, will also display at the show. This is in addition to the specimen blooms, arrangements, etc., by members of the Rose Society. The public has a hand in judging rose arrangements entered by garden clubs and florists.

Tickets for the show may be obtained from members, or from the ticket chairman, Mrs. Ronald Ennis, 10 Bresford court, San Mateo, Flreside 5-1379, or from the president, Clay Morgan, 472 Bloomfield road, Burlingame, Diamond 4-0348.

Eight Local Residents Give Blood At Bank

The following residents of the Daly City-Colma area were credited with giving blood recently at the San Mateo county blood bank: George S. Kirstine, Albert Kirstine, Gerald V. Powers, Odell Howell, first time; Richard J. Peeler, Fred J. Adams, second time; Mrs. Vivian Rogden, Mrs. Frances O. Kirkhofer, third time.

Elementary Kids Get Ready For Public Schools Open House

PREPARING THEIR offering for Tuesday night's open house at Jefferson elementary are members of Janet Robertson's fourth grade class. Next week's activity is part of the 34th Public Schools week being observed in this area and throughout the state. Shown next to Miss Robertson, left to right, are James Duffy, Gino Bertoloni, Dianne Calvin, Ralph Cristoni, Timothy Joseph, Linda Lee Thorn and Carol Johnson. THE RECORD photo

NEW ARRIVALS

FRANCESCHINA—April 8, to Mr. and Mrs. Lawrence J. Franceschina, 203 East Market, Rt. 1, Box 7, Colma, a daughter.

MALASPINA—April 7, to Mr. and Mrs. Aldo L. Malaspina, 255 Los Olivos avenue, a son.

SIMISTER—April 8, to Mr. and Mrs. George A. Simister, 23 San Pedro road, Colma, a daughter.

WEIBLE—April 6, to Mr. and Mrs. Richard E. Weible, 131 Wyandotte avenue, a son.

KISLE—April 7, to Mr. and Mrs. Adolf J. Kisle, 139 Willits street, a son.

GOULET—April 12, to Mr. and Mrs. Gerald E. Goulet, 81 Park Plaza drive, a daughter.

MARCONI—April 15, to Mr. and Mrs. Salvatore P. Marconi, 116 Nimitz drive, Colma, a son.

MENDEZ—April 12, to Mr. and Mrs. Jose L. Mendez, 117 Bel Mar avenue, a son.

STEWART—April 7, to Mr. and Mrs. Ralph R. Stewart, 52 Willits street, a daughter.

SCHILTZ—April 13, to Mr. and Mrs. Guido J. Schiltz, 54 East Canavour street, a son.

BRISCO—April 13, to Mr. and Mrs. Alec D. Brisco, 106 Bel Mar, twin daughters.

HERALD—April 10, to Mr. and Mrs. Earl S. Herald, 121 Village Lane, Colma, a daughter.

MURRELL—April 13, to Mr. and Mrs. Charles L. Murrell, 233 Hillcrest drive, a daughter.

SWANSON—April 11, to Mr. and Mrs. Harry B. Swanson Jr., 80 Forest Grove drive, apt. 10, a daughter.

In 1952 about 70,000 Americans were saved from cancer. Support the American Cancer Society and help to increase this life-saving work.

Jefferson High PTA Receives First Prize From 17th District

The California PTA of the 17th District met at the Washington school at Burlingame, April 16.

The 17th district is composed of 93 units of the county. Mrs. P. D. Bevil installed the officers elect for the ensuing year.

The state president of CCPT spoke of the "Policies, Practices and Procedures of P.T.A."

Jefferson Union high school was one of the high school recipients of first prize awarded by the 17th district PTA.

Jefferson Union high school was presented the "District and State Outstanding Publicity Award." We are very proud of our publicity book chairman, Mrs. O. Wakefield. The award will be displayed at the state convention at Long Beach, May 27 to 30.

The pot luck dinner sponsored by the school netted the sum of \$73. Over 100 attended the dinner.

Mr. Hopman, a member of the PTA, furnished a television, so members could view the fights.

WOMEN'S ORT MEETS TUESDAY FOR SOCIAL

Northern Peninsula chapter, Women's American Ort, will hold its next meeting at the home of Mrs. Harold Rosenberg, 8 Bradford drive, South San Francisco, on Tuesday evening at 8 p.m.

This meeting will be a social one, and cards and Mah Jongg will be played, followed by refreshments. All those interested in attending should contact the membership chairman, Mrs. Joseph Klebanoff, 203 Indio drive, South San Francisco, June 8-9192.

Village Notes

By MRS. MARK SWOVERLAND
PLaza 5-4158

Sweetwood

Two weeks ago the following visited Mrs. Eleanor Rosenblyd, a former Broadmoor resident now residing in Burlingame: Mrs. Eleanor Raymond, Susanne Conn, Irene Chessman, Louise Lagomarsino, Doris Pardini, Hazel Wirth, Mary Fletcher and Evelyn Long.

Louaine Drive

Welcome to Mr. and Mrs. Jack Bjorquist and sons Scott & Bobby, recent arrivals to Broadmoor.

Cindy Krueger is as good as new again after having her tonsils removed last week.

Mr. and Mrs. Ray Johnson received a visit from Mrs. Johnson's mother and father, Mr. and Mrs. Al Brown of Fresno.

Garden Lane

Saturday, April 18, Sherry Sisk celebrated her 12th birthday with a party with the following in attendance: Bonnie Lee Arnold, Karen and Kris Olsen, Sharon Hazen, Donna Stookey, Judy Brice, Helene Heller and Bonnie June Sisk.

Dr. and Mrs. Earl Herald are the new parents of a girl who arrived April 10 weighing 7 lbs. 4 ozs. She has been named Katharine Susan.

Midway

The John Travinsky's and family visited with Mr. and Mrs. Pete Azevido on Petaluma last Sunday. The Azevidos are former Broadmoorites.

87th

Ruth Circle of the Women's Association of Broadmoor Community church met at the home of Mrs. Mark Swoverland Thursday night, April 23.

Wildwood

A canasta party was held last week at the home of Doris Menary. The players were: Irene Parks, Shelia Mahoney, Mary Contreras and Bette Hart.

Maria Eleana Arejula was 3 years old April 20. A party was given in honor of this birthday and the following were present: Billy and Norma Arthur, David Deterte, Peggy and Michael Mahoney, Kathy Mahoney, Brad Menary and Melinda Hart.

Wildwood Court

Mrs. Lois Courtney was hostess at a cosmetic party Thursday, April 16. Those in attendance were Dolores Shields, Pearl Harris, Margaret McElhinny, Sarah McElhinny, Cecile Grenenger, Helen Mahoney, Amparo Arejula, Freda Sherman, Timy Anderson and Bette Hart.

Scouts

Girl Scout Troop 20 visited the

McLellan Orchid Nurseries Wednesday, April 15. The troop leaders were: Mrs. Stookey, Mrs. Sisk, Mrs. Brice, Mrs. Grassini and Mrs. Dennis.

Boy Scout Troop 84 is planning a camp-o-ree on May 16 and 17 at Mills Estate in Millbrae.

Boy Scout Troop 84 held their Court of Honor last Friday, April 10. The following made first class: Bill Brown, Gary Cowden, Billy Spry, Bob Fies. Second Class: Don Branstetter, Bob Garretson, Lee Schaeffer, Bill McCann, Dick Tomlinson, Scott Parker, Phil Green, Reed Price, Bill Krueger, Dale Weibel, Rick Schweitzer and Jim Gustafson. Following received merit badges: Bill Spry, Bill Brown, Ronnie Moon and Terry Anger.

Bill Brown through his advancement in scout activities and living up to the scout laws was chosen to go to the National Scout Jamboree in Santa Ana in July.

The Mothers Club of Troop 84 met at the home of Mrs. Joan Tomlinson Tuesday evening, April 14. The evening was spent making aprons. An apron sale is to be held at King's Market May 2. The proceeds from the sale will be used to send a boy to the National Jamboree.

Don't forget the Silver Tea to be given by the Women's Assn. of the Broadmoor Community church May 7.

Dedication services for the Holy Angels Church and school were held last Sunday, April 19.

SCHEDULE OF MASSES IN LOCAL CATHOLIC CHURCHES SUNDAY

Perpetual Novena — Tuesday, 7:30 p.m.

When we moved from New England we learned that Gas and electricity are cheap in California

says Mrs. V. A. McGuire of Fresno, right, with her sister, Mrs. Edward Arvanigian

How P.G. and E.'s low rates save Mrs. McGuire money...

In their comfortable Fresno home, the McGuires use these appliances to save work, make life more pleasant.

The McGuire's P.G. and E. bill last month . \$15.92

In her former Eastern home the same amount of gas and electricity would cost . . . \$37.30

Upon coming to California in 1949, Mr. and Mrs. McGuire found that gas and electricity cost less than half as much here as in their former home. While most everything you buy has doubled in price since 1938, P.G. and E.'s combined rates are actually lower now than they were 15 years ago! Let bargain gas and electricity do more of your work, make your life more comfortable.

Norma Van Der Werff Weds Paul R. Flowers

A double-ring ceremony Saturday at Grace Presbyterian church united Norma Jean Van Der Werff of this city and Paul Richard Flowers of Kansas.

The Rev. William Harberts officiated at the nuptials.

The bride was attired in a grey suit with navy blue accessories and carried a white Bible adorned with a camellia corsage.

Standing up for the young couple were Mr. and Mrs. William Hassett.

Following the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. Andrew Van Der Werff, at 80 Miriam street.

The new Mrs. Flowers was graduated from Jefferson union high school and is employed with the Bank of California in San Francisco.

The groom is a native of Kansas and is now with the United States Navy.

Following a honeymoon in Carmel, Calif., the couple will return to this area to take up residence.

INSTALL MRS. GAGGERO AS HILLSIDE PRESIDENT

The Hillside Parent-Teacher Association of the Colma school held their third annual installation last Wednesday evening at the Colma school.

Mrs. Anthony J. Gaggero, the mayor's wife, was installed as the new president of the Hillside unit.

The president is the mother of three children and is active in many civic affairs.

The installation program was held by Mrs. J. B. Mills of the 17th district. She had Mrs. John Sorensen assist her in presenting

mentarian; Mrs. Doris Lovazzano, corresponding secretary.

Miss Marjorie Tobias, principal of the Colma school, gathered some of the school talent to be displayed in music.

Mr. Snyder, the teacher of musical instruments, introduced a brass quartet which played some selections.

The quartet included John O'Keefe, Dick Ross, Gary Taylor and Bill Magee.

There were four clarinet players who rendered selections. They included: Larry Dover, Joan Baird, Ken Averell and Gary Atteberry.

Robin Hatfield and Beverly High presented imitations in song. Solos were heard by Gail Merlo and Joyce Averell.

There was a quintet of girls singing acapello. Miss Jane Tiffay announced the numbers for the groups.

Mrs. H. Z. Weibel, historian of the past year, read the history of the past year.

The evening was a gay festive one and refreshments were served by Mrs. Jane Keith and Mrs. Tydingo.

The April board meeting was held on April 13 at Rickley's Red Chimney in Stonewton.

Hillside PTA is now the proud parent of the Benjamin Franklin school, which is temporarily housing all the seventh grade students, who previously attended the Colma school.

The four room unit houses 276 seventh graders on double session. Colma school now has a regular session for all 8th grades and one 6th grade group.

Parents are urged to visit the Benjamin Franklin school, to see the new four room unit.

The school is located at Madux and Stewart avenues in Broadmoor.

"Open House" will be held at the Colma school on Monday evening and at the Benjamin Franklin school on Tuesday evening.

Miss Tobias urges all the parents and friends to come and visit the schools at that time.

In addition to the president, those who were installed include: Mrs. Charles Hansen, vice president; Miss M. Tobias, honorary vice-president; Mrs. Eugene Turney, secretary; Mrs. J. Hanack, treasurer; Don Pagani, auditor; Mrs. Harold Riley, financial secretary; Mrs. F. O. Klassen, historian; Mrs. Thomas Mullen, parliamentarian; Mrs. J. J. Offenback, R. S. Thornton; sewing and sunshine, Mrs. L. Stanghellini; co-chairman, Mrs. Wm. Chessman.

The next regular meeting of the Colma PTA will be in the Home Arts Room at Thornton May 5.

Two awards were given on Colma PTA's publicity book, one from the state and the other from 17th district.

Mrs. Sanford Vickers and Mrs. J. C. Wiesner attended the coordinating committees meeting on Monday at the city hall.

Delegates to the state convention in Long Beach are Mrs. Vickers and Mrs. Foster, alternate.

TIRES AND SKIDDING

Another good reason for keeping your tires inflated to the recommended pressure, points out the National Automobile Club, is that both underinflated and overinflated tires tend to increase the chance of skidding.

Sportswomen Hold Regular Meeting

The Daily City Sportswomen held their regular meeting recently at the home of Lee O'Neill at 1044 Gilman drive.

The rummage sale held April 16 at 1257 Webster street was deemed a success.

The group extended its thanks to those who participated and donated.

Persons interested in joining the Sportswomen should contact Mrs. O'Neill, PL 5-0468, or Naomi Stone, PL 5-4992.

The next regular meeting will be May 13.

OLPH Mothers' Fashion Show Deemed Success

Mrs. Dorothy Strebel, publicity chairman of Our Lady of Perpetual Help Mothers club, reports that the Spring fashion show and luncheon held in the school auditorium last Saturday was a huge success.

She extended thanks to Worth's of 2442 Mission street, Westlake Fashions, and Lad and Lassie of Westlake for the "beautiful" clothes.

Charter Members, Past Presidents Honored At Meeting

The Ladies Auxiliary of Colma Vista Grande honored the past presidents and charter members on the evening of April 14.

Nearly 100 members gathered to pay tribute to the past presidents and charter members who were gathered there.

A corsage of sweet peas were presented to past president Alberta Diebel, Lorene Gardner, Dolly Lewkowitz. Two of the past presidents, Dorothy Johnson and Dora Black, were not present.

Gifts were also presented by Madam President Dolores Warren to the past presidents. Jr. Past President Diebel was presented a bouquet of roses and her president's pin.

Mrs. Warren was requested to preside over San Bruno Auxiliary for May 10.

Colma Vista Grande Elects New Officers

At the last regular meeting of Colma Vista Grande Auxiliary the following officers were elected to serve for the next term: Jean Blankenhorn, madam president; Britta Morris, vice president; Marge Clark, chaplain; Mildred Dunn, conductor; Leonora O'Neill, inside guard; Clara Scally, outside guard; Lynne Boskey, treasurer; Alberta Diebel, trustee, Dolores Warren, retiring president.

Mrs. Warren will take the Jr. past president's station. Frances Nenstiel will act as secretary, with Edrie Summers and Ednah Mona as trustees.

Mary Vobaril was elected mother of the Auxiliary and Edrie Summers, Ednah Mona delegates to the convention.

Midge Fehl and Alberta Diebel will act as alternates.

Thanks Expressed For PTA Assistance In TB X-Ray Drive

Mrs. G. Blackburn has offered her thanks to the eight PTAs who acted as hostesses for the X-ray units which visited this area recently.

She also extended a special thanks to Miss Ada Woods, dean of girls at Jefferson high school, and the students who assisted her: Pamela Hix, Yvonne Latreille and Joan Salmon. Four recent graduates, Lola Mack, Arlene Pool, Phyllis Blackburn and Diane Hale, also assisted.

A special thanks went also to Mrs. John Eason, chairman of the recent potluck dinner held at the high school and to Ted Hopman for the television set provided for the evening.

She also announced that the variety show, offered by the Spanish club, will be held tonight at 8 p.m. at the high school.

Girl Scouts Get First Aid Certificates

SENIOR SCOUT TROOP NO. 4 members are shown recently after receiving their first aid certificates, awarded them after nine weeks of training in Red Cross first aid classes, under supervision of Ada Gurney. Mayor Anthony Gaggero (right, back row) presented the certificates. Others

pictured are (back row, left to right): Carol Hansen, Cheryl Taylor, Judith Brandt, Donna Odell, Mrs. Ray Taylor, Mrs. John Hansen, Mrs. Gurney; (front row) Charlene Taylor, Barbara McCowan, Drena Guaraldi, Marguerite Cripps and Carol McInerney.

The modern yo-yo was designed by Donald F. Duncan and is similar to the bandoleer with which French children play.

Friends, Relatives Honor Couple After Recent Nuptial Rites

TOASTING THE newlyweds following recent ceremonies held in All Souls church, South San Francisco, are (left to right): Octavio Bottini, Ernest Uccelli, John Olese, Sue Cochell, Barbara Licotta, Bob Martinielli, Barbara and Michael Casentini, justweds, front.

Barbara Perri, Michael Casentini Wed At All Souls Catholic Church

Nuptial ceremonies at All Souls Catholic church recently united Barbara Jean Perri and Michael John Casentini Jr., with Father John Cunningham officiating.

The bride, given away by her father, walked down the aisle attired in white brocade lace over satin. Tiers of plaited ruffles ornamented her bridal gown from waist to hemline. Pearls and sequins and matching pleated ruffles bordered the neckline.

Complimenting this ensemble was a finger tip net veil, lace crown with pearls and a train.

Her bouquet was white orchids and lily of the valley. Embellish-

ing her dress was a single string of pearls.

Barbara Licotta performed as maid of honor. She wore pale blue net over taffeta, a lace bolero jacket, and carried pink carnations.

Bridesmaids were Mary Alice Bottini, sister of the bride, Sue Cochell and Valery Mirri. They wore lilac net over taffeta, carried pink carnations and had large picture hats of lace to match their gowns.

Performing best man duties was Bob Martinielli, while John Olese, Octavio Bottini and Ernest Uccelli acted as ushers.

A reception followed at the American Legion hall. The hall was decorated with fern and candles.

The couple honeymooned in Catalina for one week and are now making their residence at 314-A Locust avenue, South San Francisco.

The bride is the daughter of Mr. and Mrs. Louis Perri of South San Francisco.

She was graduated from South San Francisco high school last year.

The groom, son of Mr. and Mrs. Michael Casentini, 152 Mateo avenue, Daly City, attended Serra and Jefferson high schools.

SHERIDAN CHAIRMAN RATIFIED AT MEET

At a recent executive board meeting of the Sheridan PTA, the following chairman were ratified: Mrs. Everett Hale, ways and means; Mrs. Ezra Chase, membership; Mrs. George Anderson, room mothers; Mrs. R. W. Niemi, founders' day; Mrs. W. H. Saunders, music; Mrs. Edward O'Malley, sunshine; Mrs. Thomas Tannehill, milk money; Mrs. Wayne Poote, hospitality; Mrs. R. M. Beach, publicity; Mrs. R. E. Rochette Jr., program; Mrs. Mae Coleman, safety; Mrs. Leslie Dillworth, recreation; Mrs. Robert Larrieau, budget; Mrs. Albert Henricks, magazine; Mrs. Harold Muller, radio, TV and motion pictures; Mrs. Geo. Silva, parent education; Mrs. Robert Anderson, health; Mrs. Norman West, registration; Mrs. E. R. Shade, philanthropy; Mrs. H. D. Reip, citizenship.

Sincere thanks were extended to Mrs. Anita Geise, chairman of the committee, and her assistants, Mesdames Esther Janssen, Grace Marting, Ellen Shehi and Hilda Stettler.

Joint Installation Held For Old Glory Officers

On Saturday evening at the Masonic hall Old Glory Post No. 2044 and its Auxiliary held installation of officers in the blue room.

President Marie Gehrig turned the gavel over to the installing officer, Reba Meyers of Los Gatos, who is president of the San Mateo-Santa Clara counties council and a past president of Old Glory auxiliary, and Joselyn Walsh of San Bruno, member of Tanforan auxiliary, were the installing conductresses.

Officers Installed

The following ladies were installed: Elizabeth Sorrensen, president; Josie Valenti, senior vice president; Catherine McKeown, junior vice president; Clara Poket, treasurer; Ethel Dorn, secretary; Eleanor Cochran, chaplain; Marjorie Johnson, conductress; Lena Pardini, guard; Ruth Brulez, patriotic instructor; Elsie Ireton, historian; Loretta Hancock, Mildred Smith, Bonnie Ellenwood and Marie Gehrig, color bearers; Ethel Harris, flag bearer; Mary Conti, banner bearer; Edith Correll, musician; Mesdames Ellenwood, Brulez and Mildred Smith, trustees.

The members of Lake Merced and Matalan Auxiliaries filled the chairs for the installation.

All officers wore formal gowns.

Post Ceremonies

Dept. Senior Vice Commander J. Wilton of Merced was the installing officer for the Old Glory Post.

The following were installed: Robert Schneider, past junior commander; Charles Ireton, commander; H. E. Stengle, senior vice commander; J. J. Poket Jr., junior vice commander

PASTIME CLUB WINS LONG-DELAYED ADULT LEAGUE FIRST HALF PLAYOFFS

The strong Pastime club from San Francisco eked out a 48-46 win over their former conquerors, Hoyt Water Heaters, to win the long-delayed playoff of the adult league first half championship.

Hoyt's, who threw the league's second half into a three-way tie last week by edging the Pastime club, 46 to 44, could not duplicate the feat again as the San Francisco club played heads-up ball throughout the close contest.

Dick Milkovich, with his long one-handers, and Don Stows on the rebounds kept the locals in the ball game for the first three quarters as the lead changed hands several times.

The final quarter saw the Pastime five draw away as the drive in shots of Frank Garre, Joe Dillon and Bill Lucca became too much for the tall Hoyt men to handle.

Dillon, former Balboa all-city star, was again high point man for the Pastimers with 14 markers, 12 of which came in the first half.

Milkovich starred for the losers with 13 digits, closely followed by Don Stow, who hit for 12.

Norm MacKenzie, high-scoring 6 ft. 6 in. Hoyt center, was hampered throughout the second half after being charged with four personal fouls early in the third quarter.

Officials for the contest were Lloyd Leith and Billy Scanlan.

News From The Parks

Marchbanks

Marchbanks Park ushered in the pre-summer with a play-day picnic on Sunday, April 12. Mr. Weather was dubious, but at the last moment he came through with a nice day. A day that was entered into with some hesitation turned out to be a gala occasion. Over 150 children from the Westlake and Marchbanks area soon put all three levels in motion. After a picnic lunch, topped off by cool drinks, the playday began. First on the schedule was a baseball game with the boys and girls from Westlake challenging Marchbanks. Westlake, first at bat, pulled in five runs. Marchbanks in the next two innings managed to pile up 13 runs due to the excellent batting of Bunny Barone, Skip Crudo, Bill Whalen, John Vinal, Rayley Ward, Bill Hopman and Bill Gamon, to mention a few. The next inning saw the visitors rallied on by Ken and Joyce Averell, Marty Finerter, Barry Krohn and Barry Benier climb to within a 2 run margin with two outs. Then a long drive to center field was snagged in a beautiful play by Donald Cubic and the game was over. The gang then trooped upstairs for a series of relays. The three legged race was first on the agenda. Bob Grubb and Arlene Storm, a perfect pair, won easily. Mike Sibitz literally dragged Sandra Gonzales in to take 2nd place. Some other winners were Jane Gruenwald, Sharon Lynch, Burt Treanor and Lorraine Storm. The second event, a sack race, was so popular that 7 heats were required. The climax of the day came with a pie eating contest. A large berry pie, smothered with whip cream, was placed before the contestants. Bob Grubb and Joyce Averell were bite for bite but Bob finished first. Although sticky and dirty these two good sports managed a smile. At five o'clock the day was finally called to a close with the promise of a weenie roast in the near future.

Rained Out

Thursday was to have been a big day at Marchbanks with the OLPH baseball team meeting St. Michaels and the OLPH girls volleyball team to battle the Corpus Christi girls but the weatherman had different ideas. These games will be played at a later date.

Girl of the Week

Jane Gruenwald has been chosen Marchbanks "Girl of the Week." Jane lives at 133 Gambetta street with two older brothers and a younger sister. Likeable Jane attends OLPH where she is in the fifth grade. This young lady, who will be eleven years old July 7, says that her favorite sports in-

Indian Relay Team Wins Martinez Test In Brilliant Time

Jefferson high school's mile relay team, under the tutelage of Coach Ernie Ribera, remains undefeated in relay meet competition.

On Saturday they won the Martinez relay in the fast time of 3:33.1, only 1.2 seconds off the all time meet record.

The speedy quartet of quarter-milers composing the team are Wally Honeywell, Larry Allen, Al Schenone, and anchor man Len Monson. Previously this quartet had won the El Cerrito mile relay and the Peninsula Athletic League meet held at Jefferson. Thus far they have met and defeated the top teams of Northern California.

The team has added two trophies to the trophy case at Jefferson and stands a good chance of adding two more if they win the California relays and the Hollister relays and thus complete an undefeated season.

Each man of this quartet has been outstanding this season in individual league competition. Wally Honeywell has been running in the 100 and 440 yard dashes. Larry Allen has done well in the half mile and low hurdles competition. Al Schenone has garnered many points for the Jeffs in the half mile and 220. Len Monson is one of the outstanding quarter milers in Northern California and has been giving his competitors some top-flight competition in this event.

JEFF VARSITY MERMEN BEATEN BY MATEANS

Jefferson high's varsity swimmers were edged out, 40 to 33, by San Mateo high last week while the two local lightweight teams both scored wins in their divisions.

The Indians 30s won by a lopsided score of 45 to 21. The local 20s also set the Mateans back, 27 to 20.

Jeff Mile Relay Team Hasn't Been Topped

CLASS OF THE mile relay teams in this area is this quartet shown here. The Jefferson aggregation has bettered every opponent in relay meet competition and stands a good chance of finishing with an unblemished record. In Saturday's Martinez relays they

JEFF THINCLADS POST WINS OVER SSF WARRIORS

Jefferson high wound up its dual meet season last week with varsity and 30 wins over South San Francisco.

The local unlimiteds, sparked by swift Al Schenone's double triumph, downed the Warriors, 61½ to 44½.

The Indian 30s rolled up 86 points, allowing the South City spikesters only 27.

In the 20s division the locals

were edged out, 36 to 32.

Schenone captured the varsity 220 in 23.6, the half mile in 2:06.3, and anchored the winning relay team that toured the half-mile in 1:35.8.

Helping the 30s pile up their decisive winning margin were Wayne Webb, Baker and George Melodia. Webb took the 75 in 8.2, and the 330 in 38.6. Baker captured the 150 in 18 flat and the 660 in 1:37, while Melodia racked up victories in both the shot and discus.

Don Klaisner, Jeff 20, took a pair of wins as he led the field in the 150 and 75 yard dashes.

More Fords...the car of the year!

FORD STEALS THE SHOW 5th year in a row!

41 "WORTH MORE" FEATURES!

worth more when you buy it... worth more when you sell it!

you can pay more but - you can't buy better!

SEE IT! VALUE CHECK IT! TEST DRIVE IT!

● There's a familiar scene taking place on the American Road. It's the annual crop of new Fords falling in line with the other cars on the highway. And this year there seem to be more new Fords in the parade than ever before. Could it be because this new Ford's 41 "Worth More" features make it worth more not only when you buy it but when you sell it? Could be. But you be the judge.

NEW SMOOTHER RIDE
Ford's new rubber compression bumpers help reduce front-end road shock up to 80%. The wide front tread and diagonally mounted rear shock absorbers help keep you on the level... even on curves. Ford's new spring and shock absorber action gives you an unbelievably smooth ride.

MOST GO IN ITS FIELD
Ford's choice of 2 engines is the envy of its field! No other maker has been able to sell a truly fine V-8 for so little money! No other maker has built a more modern Six. And both Ford's Six and V-8 deliver their high-compression GO at a saving, thanks to Ford's Automatic Power Pilot!

POLICE PISTOLMEN WILL HOLD TRY-OUTS SUNDAY

More than 150 policemen from San Mateo county will gather Sunday in Colma to try out for a county police pistol team now in the process of organization.

The event will be held at the pistol range of Ray Ottoboni in Colma, beginning at 9 a.m. and lasting the entire day.

About half of Daly City's regular and auxiliary police will be entered in the competition.

Judging and arrangements for Sunday's firing will be handled by the county sheriff's pistol team.

Following the tabulation of scores, teams will be selected on basis of the shooters' ability.

Ottoboni said it is expected that eight teams of four men each will be named.

The pistolmen will meet again in June in a qualifying round to earn trophies and various medals.

In this meet each city will be represented by a team. One permanent trophy and one rotating trophy will be sought by the shooters.

In later meets with pistol groups outside the county the teams will be made up of the best shooters selected from the staffs of city police departments.

CAPUCHINO BREAKS 7th INNING TIE TO HAND JEFFS FIRST LEAGUE LOSS

Jefferson high's varsity took their first set-back of the current PAL baseball season last week when Capuchino scored a seventh inning run to defeat the locals, 5 to 4.

The loss gave the Jeffs a 2-1 mark and the Mustangs a similar record.

The Indians bested the Caps at the plate, getting nine hits, to eight for the opponents. Short stop Ray Rosa and center fielder Larry Blanchard each got a pair to lead the locals.

The Caps pushed across the winning run in the bottom half of the seventh inning, breaking a 4-4 deadlock.

With the score tied Bob Flanders opened the last inning with

PAL TRIALS TODAY AT BURLINGAME

Jefferson high will send four varsity sprinters to the post today in the PAL trials to be held at Burlingame, beginning at 3 p.m.

In Tuesday's pre-trials, the unlimiteds qualified in three events, the 100, 220 and the 440, but failed to place a single man in the field events.

Speedster Len Monson ran fourth in his 100 heat, won in the good time of 10.3, while teammate Bill Butler finished in the same spot in a 10.5 race.

Al Schenone was runner-up in the furlong, won in 23.4 and Butler scored again to qualify third in a faster, 22.8, heat.

Monson ran second in his 440 heat, captured in an exceptional 51.1 time. Wally Honeywell rounded out varsity qualifying with a runner-up spot in his 440 heat, taken in 52.8.

The sole Jefferson field performer to qualify in any division was the 30s Bill Butler, who won the broadjump with a leap of 19 ft. 10 in., his best effort of the

BROADMOOR PACK 84 TEAM WINS FIFTH GAME; THREE TO GO

As the end of the season nears, the A team of Broadmoor Pack 84 last Saturday shut out Pack 36 by a score of 9 to 0 to make the fifth straight of the season.

They now have three hard games to go. Bobby Goodwin starred again by pitching the whole game and hitting the only home run. He walked only one man.

The B team won over Pack 108 by default, for not enough boys turned out for the game from Pack 108. Pack 84's next A team game will be against Pack 1 at Aptos Junior high school at 10 a.m. tomorrow.

The next B team game against Pack 151 is at the same place and date at 2 p.m.

LOCAL CAR THIEF IS NABBED IN SSF

Quick action by Lawrence Olivetti, South San Francisco police officer, resulted in the recovery of an auto stolen here Sunday.

R. L. Davies, 6243 Mission street, notified police about ten minutes after his vehicle had been taken while parked at 48 Evergreen avenue.

Officer Olivetti, alerted by local police, nabbed the thief, a juvenile, in South San Francisco, after he noticed him driving in a wreckless manner.

The youth, who had been in custody for a prior car theft, was turned over to juvenile authorities.

Charge Local Man With Being Drunk In Parked Vehicle

Robert Edwin Mills, 59, of 68 Gambetta street, was released on \$50 bail Monday after being picked up here on charges of being in and about an auto while drunk.

Pedestrians notified police that Mills, in an intoxicated condition, was attempting to start his car at Krowles and Mission street Monday afternoon.

Police responded and said they found Mills behind the wheel trying to get it out of a parking space.

He was unable to stand, they said. Mills is scheduled to appear in Municipal court Tuesday to answer charges.

Three For One

Doughnuts shaped like pretzels are being brought out. Three holes for one.

CHEAP PERFUME

Industrial research is producing less expensive perfumes. New techniques in perfume-making also indicate a trend toward cost-cutting.

Wayne Webb came through with a third in the 75, while winning the 330 in 38.4. Ron Harris took fourth in his 75 heat and third in the 120 low hurdles.

In his 70 yard high sticks Dave Coates ran third.

Lowell Klaisner led the 20s, winning his 75 heat in 8.6, which equaled the 30s time for the race, and scored second in the 150.

Cliff Lawson ran second in the lightweight 330, while Duane Hale posted a third in his heat of that event. Sullivan was second in the 120 low hurdles.

In today's competition the top four men from each sprint heat Tuesday will vie for a shot at the finals. Only the four front-runners in today's trials will go to the May 2 finals.

In the distance runs, from the 660 on up, the lone qualifying test will be held today. First four men in these events will go to the finals, with the exception of the mile, where five can qualify.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Another week has passed into the book of 1953 and as usual each week brings "items of interest to all." We are now in the last week of April and before long will have the advantage (?) of daylight saving time. There is a certain percentage of the population that just loves the change in time. Of course every woman that is married to a fisherman will understand just what I mean. One week from Sunday the TROUT SEASON opens. Every male from six to sixty has spent the last few weeks getting ready for this great (to them) day. Lines will be checked—reels oiled—gear replenished and the "little woman" told to defrost the frigidaire in order to store the fish that the men of the household will bring home. Seeing is believing, but they do have so much fun, don't they?

Cancer Drive

There always seems to be some fund to warrant the attention of the neighbors and the latest and one of the most important is the CANCER DRIVE. This year there will be ladies giving of their time at the Bank of America, Daily City branch, to help one and all to understand just why they should support this drive. MRS. EVE HOBBS is the chairman, ably assisted by MESDAMES EMMA D'ISEP, MARTHA LINDEN, CLARA POKET, ELLEN WALLACE, ROSE WATSON and WALLACE. Cancer is like every other terrible disease known to man, in that in time and with help, it can be conquered. The main thing in the treatment of Cancer is to find out at the earliest possible moment that one has it. We also have another advantage—we contribute to the fund being raised to help fight this dread disease. Cancer is no respecter of age, striking the young as well as the old. Give now, neighbors. It may be your own life that will be saved.

Servicemen

Servicemen are coming and going all the time. This week it was MR. and MRS. SUTHERLAND of Wyandotte street, who were the happiest people in town. Their son, SGT. DON SUTHERLAND, was one of the Korean veterans who returned home aboard the USNS General Walker. He was met by a reception committee composed of his mother, father and two sisters, MRS. J. L. ALBONICO and ALMA SUTHERLAND.

MR. and MRS. WILLIAM BEECHER of Santa Barbara avenue were the hosts this weekend to their son, APPRENTICE SEAMAN WILLIAM A. BEECHER JR. Bill is at the present stationed at Moffet Field and was gladly welcomed home by all the "boys he left behind" him. Glad to see you home, Bill.

Two more of Daly City's finest have left us. GEORGE and BILLY RITTER of Vista Grande avenue have left for the Navy. They are at San Diego Naval Training Center and follow in the footsteps of many another of the boys of "our town" who have passed through the Navy boot camp. Good luck and the best of wishes to these two who are well known among the teenagers. Both of the Ritter boys enlisted on the same day.

SGT. HOWARD FLETCHER, U. S. Air Force, the son of MRS. JUNE FLETCHER of Vista Grande avenue, surprised his mother with a visit last week. Howie is in the 51st Air Transportation Squadron as a Service Engineer. He makes regular trips between his home base of Hickam Field, Honolulu to Japan and the U. S. Howie is another Jeffersonite in the long line of Daly City boys who are spread all over the world. Greetings from the folks

in the "old home town." PVT. RICHARD LEAHY, the son of the BURT LEAHYS of Vista Grande avenue, was home last week after completing training at Camp Roberts. "Bubble" has now been assigned to Headquarters Co. Reserve Command as a supply clerk for the 31st Division Anti-aircraft at Camp Roberts. He is in good company as there are several other Daly City boys serving at Camp Roberts.

Items of Interest

Returning home last week after a two week vacation in San Diego with her uncle and aunt, MR. and MRS. QUIRK, formerly of our town, was MISS MARILYN WALLTON. All her many friends are glad to see her back home again.

The old flu bug certainly gets around. Fact is it has gotten all the way to Santa Cruz where MR. WILLIAM BERNZOTT JR. and his daughter, LINDA, who are the son and grand daughter of MRS. DOROTHY STEWART of our town, have been the latest victims.

Here's hoping that they are better by the time that this is read. The population is still increasing. This week a daughter was born on April 7th to MR. and MRS. RALPH STEWART JR. of 52 Willits street. The young lady, who has a sister 14 months old, tipped the scales at 9 lbs. 4 ozs. and has been named SUSAN TACY. Congratulations to the happy parents and best wishes to "Winnie," one of the nicest and proudest grandmas in town.

Members of the Jeff Class of '28 will remember their star baseball player, HUGO IRONS. The Class of '54 also has another member of the Irons family in baseball—VIC IRONS. Now comes the future prospect for Jeff fame to make Hugo very proud and happy grandfather. ROBERT HENRY HUNTINGTON, who overlanded the Fairbanks at 5 lbs. 10 ozs., was born to APPRENTICE SEAMAN ROBERT HUNTINGTON

San Francisco, California
(Pub. Apr. 23, 1953.)

and the erstwhile MADIE IRONS. Bob is in the Submarine Division at Mare Island and Madie will be remembered by all her classmates at Jeff who wish both she and Bob all the happiness with their new son.

THE "FRIENDLY TWELVE," a group of swell gals who gather each month at one another's home, met last week at the home of MRS. EMMA D'ISEP where they held a mad hatter party. After refreshments each lady modeled their own exclusive creation. Each hat (?) was created out of just whatever materials that she had on hand. Some were made out of lamp shades, pots, pans and you guess what? MRS. MARTHA WEGNER and MRS. BETTY KOHLBRENNER were the ladies who walked off with the prizes. Too bad the rest of the neighbors couldn't have seen this show.

MRS. MARY WAKEFIELD is to be congratulated this week. Her J.U.H.S. President's book took the PTA district award. It has now been sent to compete for the state award and all the best wishes of your neighbors and mine go with it.

MR. JOE LARSON of Los Banos avenue is a very lucky guy. He seems to have the luck of the Irish! A week ago he slipped off the roof of the Merchants Ice and Storage building and fell 18 feet to the pavement. He cut open the back of his head, fractured several ribs, broke two fingers and just to complete job, sprained his ankle. He is now home from the Franklin hospital and of all things bemoaning the fact that he can't go to Boulder Creek to finish some work that he started there previous to his "flight into space."

Take it easy, Joe, your neighbors are rather used to having you around. We'd like to keep it that way.

News and Views

MR. and MRS. CLEON HARLAN, the former MISS FRANCES POKET of Mission street, are the envy of all their friends. They left Saturday of last week for an extended trip covering the United States. They are stopping in Sacramento, Eureka, Seattle, Butte (Montana) and Michigan, and in-

tened to be in New Hampshire in September for the Gypsy Motorcycle Tour. From there they will travel to Florida for Christmas to be spent with friends and then on to New Orleans by February in time for the Mardi Gras. From there they will go to El Paso, Texas, where they have more friends and then home to "our town" by April or May of next year. "FOOFIE," as she is better known to all, is a Jeff graduate and in the good old days used to deliver milk with her father, JAMES POKET SR. All our best wishes, if not ourselves, go with them on this wonderful trip.

Here is a follow-up on the FASHION SHOW. All congratulations to MRS. RUTH CRESTA, MRS. ISABELLE LIBERTI, and all who worked so very hard to put over such a mammoth enterprise. IT WAS WONDERFUL! The food was good, the seating arrangements the best yet, and the models—there isn't space enough to compliment each and every one who took part—just this, they have never been beaten either by professional or past performers.

The crowd got a thrill out of two tiny five year olds who with all the poise of a Powers model strutted by in sun suits. The place was packed as usual and one and all are in agreement that this annual affair was the best yet.

MRS. EVE HOBBS is one of the busiest ladies in town. Now it is another appeal for the blood bank! While the news at the present deals mostly with peace, there is no end to the sufferings brought on by war. Many will still need blood over there and of course there is always the emergency need at home. According to Eve, even if the armed forces never needed another pint who knows just when the need will arise in our own homes. An accident, an operation, a disaster, are just a few of the many reasons to always have an adequate supply on hand. Fact is, she is calling for TEX BLOOD DONORS IMMEDIATELY. The place to go is the high school, or phone JU 7-9792. The reason for giving is unimportant—the important reason is giving! Well neighbors, another column

NOTICE OF SALE OF REAL ESTATE (PRIVATE SALE)

No. 16685
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of ELA DIECHLE, also known as MRS. E. DIECHLE, also known as MARY ANN DIECHLE, Deceased.

Notice is hereby given, that the undersigned administrator of the Estate of Ella Diechle, also known as Mrs. E. Diechle, also known as Mary Ann Diechle, deceased, will sell on or after Friday, the 8th day of May, 1953, in the City and County of San Francisco, State of California, to the highest bidder, and upon the terms and conditions hereinafter mentioned, at private sale, subject to confirmation by said Superior Court, the following described real property belonging to the estate of said deceased:

"That certain real property situate in the City of Belmont, County of San Mateo, State of California, described as follows: 'PORTION OF LOT 5, (Canada Lots) as designated on the map entitled 'MAP OF THE MEZES RANCH NEAR BELMONT SAN MATEO COUNTY CAL.' which map was filed in the office of the Recorder of the County of San Mateo, State of California on January 10, 1889, in Liber 'A' of Maps at page 77 and copied into Liber 1 of Maps at page 75, being more particularly described as follows:

"COMMENCING at a point on County Road leading from Belmont to Canada Raymond which point is distant thereon North 71 1/4° East 50 feet from the Southwest corner of Lot 5, which point is also distant South 71 1/4° West 121.83 feet from the Southwest corner of the 'Gas House Lot,' running thence North 18 3/4° West 200 feet; thence North 71 1/4° East 50 feet; thence South 18 3/4° East 200 feet to the point on the aforesaid County road; thence South 71 1/4° West 50 feet to the place of commencement."

Terms and conditions of sale: Cash, in United States currency, upon delivery of the deed of said administrator, and after confirmation of sale by said Superior Court, deed at expense of purchaser.

Bids and offers must be in writing, and may be left at the office of Charles P. Scully, Esquire, attorney for said administrator, or may be delivered to said administrator personally, or may be filed with the Clerk of said Superior Court, at any time after the first publication of this notice and before making of said sale.

Dated this 21st day of April, 1953.

PROMISING ARTIST IS SPONSORED BY LIONS

One of the most versatile art students to ever come out of Jefferson high school is now attending the Academy of Advertising Art, thanks partially to the Daly City-Colma Lions.

Leonard Mullen, son of Mr. and Mrs. James B. Mullen, 960 Hanover street, recently was awarded a scholarship by the local Lions, in order that he might continue in a field that he considers his life work.

In the recent Lions art contest, Mullen submitted a large array of work, ranging from handicraft to oil-painting, all of which was adjudged as "exceptionally talented work" by the judges. As it was,

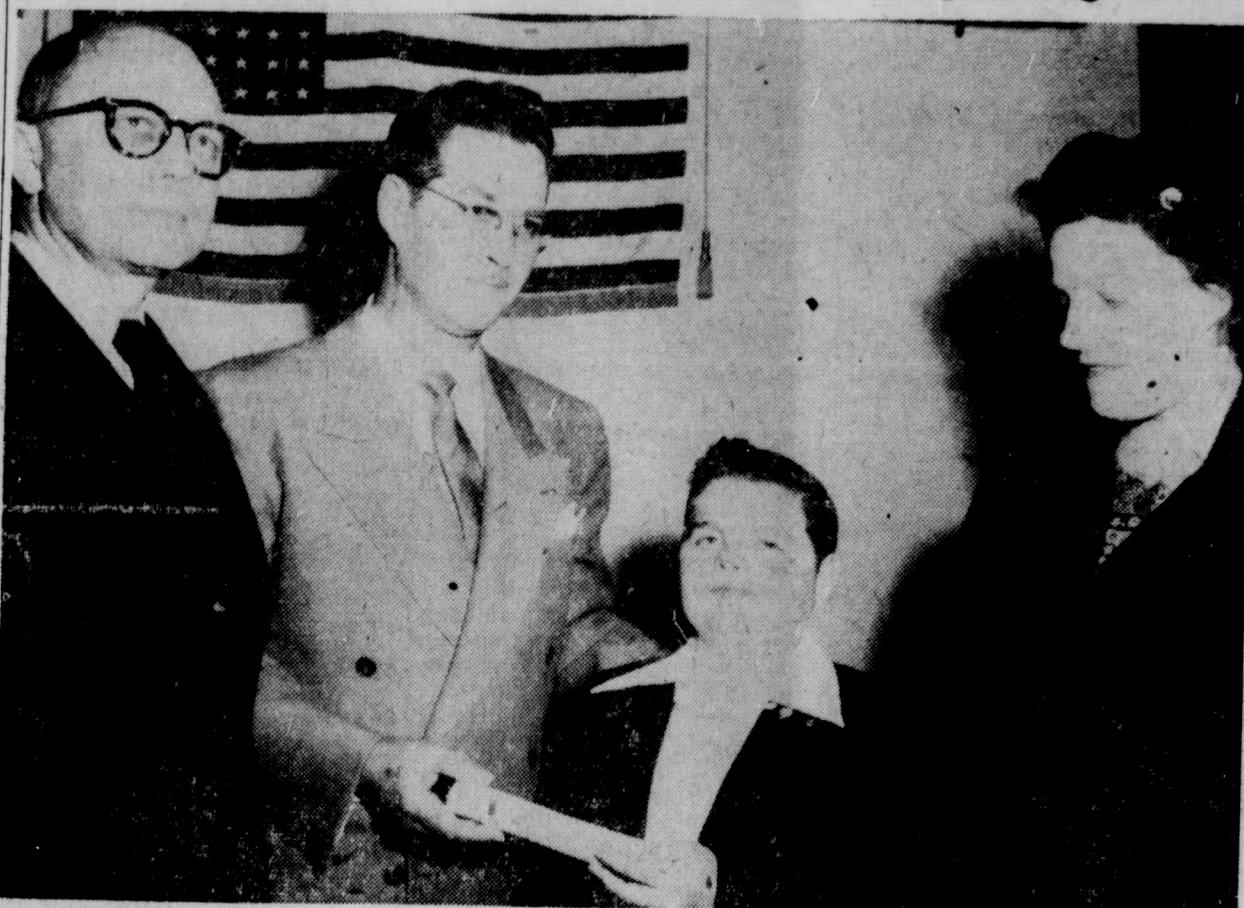

he claimed a first and a third in the competition.

During the time Mullen attends the two-year art school he will major in regular commercial art, with landscaping as a sideline.

His ultimate ambition is to enter the field of commercial art. The Lions decided to sponsor Mullen, a winter graduate at Jefferson, after taking into consideration the youth's intense interest in the art work.

Throughout his years in high school, Mullen turned out dozens of high caliber artifacts. He hasn't limited his attention to painting, but also regularly indulges in the various crafts.

Local Lions Sponsor Leonard Mullen, Promising Young Artist

TO CONTINUE his work, Leonard Mullen, third from left, and Hal Willis, both members of the local Lions. Mrs. James Mullen, mother of Leonard, looks on. The Daly City-Colma Lions decided to sponsor Mullen, who in years at Jefferson high, from where he recently graduated, showed remarkable artistic talent. Mullen is now attending a commercial art school.

THE RECORD photo

Boy Scouts Of Local District Enter Final Inning Of City-Wide Ticket Sales Contest

Boy Scouts of the Lake Merced district enter the last inning of the Scout-O-Rama "slugfest," city-wide ticket sales contest for the 1953 Scout-O-Rama, with only 19 per cent of their quota to fill.

Organized on a baseball theme, the slugfest competition is being carried on among the seven geographic districts of the San Francisco Scout council. Next week will be the last part of the race to determine which group of Scouts can sell the most tickets to their big show, scheduled for May 1 and 2 at the Cow Palace.

Still leading the units within this district is Pack 340, sponsored by the Commodore Sloat school. Ticket sales manager for the group is David Parkes of 517 Gonzales drive. The boys of 340 have exceeded their ticket sales quota for

the "game" by 205 per cent, making them members of the "200 per cent club."

In charge of sales in Lake Merced is Albert M. Rosenberg of 125 Windsor drive. He is being assisted by Barry Stubbs, Stonestown attorney, who heads a committee of salesmen giving the boys instruction in good salesmanship.

The committee includes James Keyes of 890 Post street, Lynn Frates of 62 Stonestown, Mel Snodgrass of 2676 Ocean avenue, Henry B. Grandin Jr. of 180 Malora way, Robert Courting of 24 Stonestown, William Charpentier of 285 Winston drive, and Oren Cory of 85 Stonestown.

As the ticket sales campaign nears its close, Scout leaders in Lake Merced are swinging into action in preparation for their

Scouts' participation in the show itself.

Contributing to Event 7 of the eight-act extravaganza is Troop 249, sponsored by the Bellevue Parents Club. Under the direction of Edward Plummel Jr., 864 Boschwood drive, Colma, the boys will illustrate bicycle camping, bridge building, and demonstrate three ways of crossing a narrow river.

Also taking part in event 7 ("Scout of the Tall Timber") will be Explorer Post 89, under instruction by William F. Paden of 237 Font boulevard. The Explorers will construct an Adirondack lean-to for use in the act, which in general shows Scout methods of getting along on camping trips in wild country.

The "Star," San Francisco's first newspaper, was renamed "Alta California" in 1849 and published until 1891.

WELCOME To Daly City

New Families Moving Into Daly City Recently

The following are new residents of Daly City:

Chester Burley, 185 School street.

Philip J. Sylvester Jr., 7064 Mission street.

Joseph Silicano, 50 Gambetta street.

Kenneth W. McCurdy, 118 E. Moltke street, apt. 41.

D. J. O'Connor, 357 Irvington street.

Horace J. Smigelsky, 184 Wilshire avenue.

Windell Sawyer, 433 Knowles avenue.

Paul L. Howard, 64 Wilson street.

Bill Baynes, 232 N. Park street.

Murray Douglas, 101 E. Moltke street, apt. 4.

W. Moore, 48 Werner avenue.

Mary Bacigalupi, 101 San Diego avenue.

Lee M. Faulkner, 207 Glenwood avenue.

Maria S. Urbano, 10 Muirwood drive.

Robert H. Klingler, 319 Glenwood avenue.

Raymond M. Purcell, 360 Glenwood avenue.

Salvatore T. Siciliano, 83 Fairmont drive.

Eugene Peterson, 20 Second avenue, apt. 4.

Raymond R. Vinson, 32 First avenue, apt. D.

John S. Avila, 160 School street, apt. A.

Brendon F. Murtha, 846 N. Mayfair avenue.

Vernon D. Healy, 433 Westlake drive.

Arvid Karlson, 32 A First avenue.

Walter H. Lunardini, 846 N. Mayfair avenue.

Raymond J. Acquisti, 838 N. Mayfair avenue.

Joe Bertolani, 243 Glenwood drive.

Willard B. Palmer, 350 Abbot

Bayshore School Plans Open House

A cordial invitation is extended to all parents of Bayshore school children to attend the annual open house to be held April 30 at 7:30 p.m.

This will give parents an opportunity to meet the teachers and see the work being done at this time.

An interesting musical program under the direction of Mrs. C. Sievert, and the rhythm band from Miss J. Mooney's first grade class will take place in the auditorium.

Mrs. E. H. Adams has been appointed chairman for this affair and along with her committee will sell refreshments for the Bayshore PTA.

'Nettie' Livingstone Passes At Hospital

Janet "Nettie" Livingstone, long-time resident here, passed away in St. Luke's hospital Saturday at the age of 55.

She had lived at 359 San Diego avenue.

The deceased was the daughter of the late Agnes and John Livingstone, sister of Joseph, Andrew, Jack and James Livingstone, Mrs. Agnes Findlay and Jeanie Kayes. She was a member of the Order of Eastern Star of Hurlford, Scotland, and the International Ladies Garment Workers' union, Local No. 8.

Services were held Monday from W. C. Lasswell & Co. Interment followed at Olivet Memorial park.

Bookie Withdraws Plea Of Not Guilty

Daniel P. McCarthy, 30, of San Francisco, withdrew his not guilty plea to charges of bookmaking here and admitted the accusation before Superior Court Judge Murray Draper in Redwood City Monday.

The charge that he attempted to bribe local officers when they raided his Westlake apartment was dropped by Judge Draper on agreement of Assistant District Attorney Vernon V. Vale.

McCarthy applied through his attorney for probation. Judge Draper will sentence him May 11 after reading the report of the probation department. McCarthy was continued in \$5000 bail.

McCarthy and George Diez, 56, also of San Francisco, were arrested in an apartment house here at 21 Park Plaza.

avenue, apt. A.

H. E. Strange Jr., 19 First avenue, apt. 1.

Mrs. R. P. Walker Jr., 1 First avenue, apt. 4.

In The Past

TEN YEARS AGO IN THE RECORD

Thursday, April 15—In a move to halt the increase of hog ranches within the city limits of Colma, the town council voted unanimously for an ordinance Monday licensing all cattle owners in the town.

Anyone who "raises, keeps or feeds cattle" within the city limits of Colma must now pay a license of \$100 a year, according to the new ordinance. In addition the cattle raiser must secure a certificate of sanitation from the city health officers following inspection of the property.

A serious automobile accident was the near result of a drunken driving spree by Arthur Thomas, San Francisco, when the machine he was driving nearly struck the safety island at Mission street and Hillcrest drive Saturday.

He was stopped by Police Officers Henry Sundermann Jr. and Roland Petrocchi and found to be intoxicated, police said.

In a meeting marked by speed and lack of incident, the councilmen of Daly City handled affairs of the city at Monday night's council session.

Under communications the council heard a letter from James Ferguson, Jefferson high school

principal, praising Police Chief Reardon and his staff for efficiency and cooperation in checking vandalism at the school property.

FIFTEEN YEARS AGO IN THE RECORD

Friday, April 15—Rabies is dangerous to all animals as well as human beings. Owners of cats, dogs and other kinds of pets are warned of the great danger to their animals from contact with other rabid animals.

Last week a cat died of rabies after it was known to have scratched and bitten two persons. It is not known whether it had bitten other animals and persons before that, but it is quite probable that it had.

Early in May, trucks will call at all residences to pick up rubbish. Daly City will have its second annual spring cleanup week early in May, under the direction of the board of health and the approval of the city council.

Development of Vista Grande park is being made in a steady and orderly fashion. In the near future tennis courts, ball diamonds and other recreational facilities will be constructed there. Improvements have already been started on the recently purchased

How to make good telephone service even better....

You'll spread the news faster if you call by number

When you're making out-of-town calls you'll find that your calls go through faster—twice as fast—if you give the operator the telephone number you want rather than just the name and address. That way, you see, you won't have to wait while she calls "Information" to get the number you're calling. So why not keep a list of out-of-town numbers handy—it's surprising how much time you'll save.

now you can take calls anywhere in the house

...with handy extension telephones.

No more missing important calls, simply because you were in a distant part of the house and couldn't get to the phone in time. You can enjoy extension telephones now—for just a few pennies a day.

TRUCK USERS BUY MORE CHEVROLET TRUCKS than any other make!

No matter the size or type of truck you need—what better proof could there be that a Chevrolet truck is your best buy!

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Recently published official registration figures for the last full year show that truck users in every single State bought more Chevrolets than any other make!

It is difficult to imagine more convincing proof of Chevrolet's superiority, for such clear-cut and overwhelming preference can lead to but one conclusion:

Chevrolet trucks must be better, must

enjoy solid advantages over other trucks. Such preference must rest on a firm foundation of good, sound value. And, of course, it does—as owners of Chevrolet trucks can testify.

So before you buy any truck, see how much more Chevrolet trucks offer you. Stop in and see us soon. Continuation of standard equipment and trim illustrated is dependent on availability of material.
